NOTICE: REJECTING ALL BIDS

**RE: Schaumburg Township District Library
2020-BP-02-Cleaning/Housekeeping Services bid**

Dear Bidders:

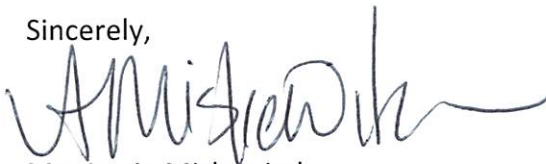

We would first like to thank each of you for spending the time and effort to bid on our Schaumburg Township District Library's Cleaning/Housekeeping Services Bid. Unfortunately, during the vetting process of the bids, we had found vast differences in the bid pricing amounts submitted. In the bid documents, we erroneously stated that the services were subject to payment of prevailing wages.

In light of this, and therefore, The Schaumburg Township District Library is exercising our legal right to reject any and all bids for the 2020-BP-02-Cleaning/Housekeeping Services bid, and is therefore, rejecting all bids. Please refer to page 1 of the Legal Notice, Advertisement for Bids, and page 6, section 9 of the bid documents.

We will be rebidding the project once we make the necessary changes to the bid documents.

We hope each of you will consider bidding on the project again once we get the documents updated and begin the process again.

Sincerely,

Ms. Annie Miskewitch

Executive Director
